

CARE

HYGIENE IN CARE – SAFE, RELIABLE, PROFESSIONAL

Hygiene in healthcare is much more than just routine – it is an essential basis for the safety of patients, staff and visitors. Whether in hospitals, nursing homes or outpatient care, a well-thought-out hygiene concept protects against infections, maintains health and ensures the quality of care services.

An essential part of this is the right protective equipment. Disposable clothing, gloves, face masks, caps and shoe covers help to prevent the transmission of pathogens and ensure consistent compliance with hygiene standards. They help to protect residents as well as the nursing staff themselves.

With hygiene and protection solutions from NITRAS, you can rely on tested quality, high wearing comfort and reliable materials that meet the demands of everyday care. This allows you to create a safe, clean and trustworthy environment – for care that combines protection and humanity.

DISPOSABLE CLOTHING

- 5 Body coverings
- 8 Masks

BODY COVERINGS

4230

Material: Polyethylene, white
Miscellaneous: Dimensions 80 x 125 cm
Packaging unit: 10 pieces
NITRAS PE aprons, polyethylene, white (colour code: 1100), 80 x 125 cm, thickness approx. 20 µ, embossed, packed loosely, tested according to EN 1186, bag per 100 pieces

Shell fabric: 100% polyethylene

TESTED
ACCORDING TO
EN 1186

4230
2200 - Blue

4210

Material:	Polypropylene / chlorinated polyethylene, white / blue
Miscellaneous:	One size
Packaging unit:	16 pieces

NITRAS overshoes with CPE outsole, polypropylene, white (colour code: 1122), chlorinated polyethylene, blue, with elastic band, length approx. 41 cm, width approx. 20 cm, sole thickness approx. 60 µm, bag per 50 pieces

4220

Material:	Chlorinated polyethylene, blue
Miscellaneous:	One size
Packaging unit:	20 pieces

NITRAS CPE overshoes, blue (colour code: 2200), chlorinated polyethylene, length approx. 40 cm, thickness approx. 35 µ, hammered, with elastic band for optimal fit, bag per 100 pieces

4540

Material:	Polypropylene, green
Miscellaneous:	Size 2XL
Packaging unit:	10 pieces

NITRAS PP visitor coat, green (colour code: 3000), polypropylene, pleasant wearing comfort, round collar, length approx. 110 cm, elasticated cuffs for a better fit and secure hold, to tie at the back of the neck and behind the body, bag per 10 pieces

Shell fabric: 100% polypropylene

004546

Material: Polyethylene / laminate film, blue

Miscellaneous: Size 2XL

Packaging unit: 50 pieces

NITRAS medical gown, blue (colour code: 2200), polyethylene with laminate film, pleasant wearing comfort, breathable and water-repellent, round collar, soft cotton knit cuffs on sleeve ends for a better fit and secure hold, to tie at the back of the neck and behind the body, length approx. 110 cm, protection against infection agents, Type PB [6]-B, individually packed in bag

Shell fabric: 100% polyethylene

VINYL DISPOSABLE GLOVES

8100 // VINYL PF

Material:	Vinyl, transparent
Coating:	-
Size(n):	XS-XL
Packaging unit:	10 pieces
Certification:	-

NITRAS VINYL PF, vinyl disposable gloves, transparent (colour code: 1400), medical, non-sterile, rolled edge, powder-free, ambidextrous (left and right hand), AQL 1,5, for food contact, manufactured according to EN 455, medical devices class I, PPE risk category I, box per 100 pieces

8101 // VINYL P

Material:	Vinyl, transparent
Coating:	-
Size(n):	S-XL
Packaging unit:	10 pieces
Certification:	-

NITRAS VINYL P, vinyl disposable gloves, transparent (colour code: 1400), medical, non-sterile, rolled edge, powdered, ambidextrous (left and right hand), AQL 1,5, for food contact, manufactured according to EN 455, medical devices class I, PPE risk category I, box per 100 pieces

LATEX DISPOSABLE GLOVES

8215 // POLYMER SOFT

Material:	Latex, white
Coating:	-
Size(n):	XS-XL
Packaging unit:	10 pieces
Certification:	-

NITRAS POLYMER SOFT, latex disposable gloves, white (colour code: 1100), medical, non-sterile, rolled edge, powder-free, micro-textured surface, polymer coating, extra grippy, ambidextrous (left and right hand), AQL 1,5, manufactured according to EN 455, box per 100 pieces

NITRILE DISPOSABLE GLOVES

8323 // GREEN WAVE

Material: Nitrile, green
Coating: -
Size(s): XS-XL
Packaging unit: 10 pieces
Certification: EN ISO 374

NITRAS GREEN WAVE, nitrile disposable gloves, green (colour code: 3000), non-sterile, rolled edge, powder-free, manufactured according to EN 455, for food contact, ambidextrous (left and right hand), medical gloves, micro-roughened fingertips, colour code system for sizes, AQL 1.5, protection against microorganisms, bacteria, and viruses, protection against radioactive contamination by solid particles, very sensitive, ideal for working with small parts, excellent tactile sensitivity, very good dry and oily grip, particularly robust and durable, medical devices class I, PPE risk category III, box per 100 pieces

HAND DISINFECTION

55250 // PROTECTASEPT SKIN

Type:	Hand disinfection, ready-to-use
Content:	250 ml
Packaging unit:	12 pieces

NITRAS PROTECTASEPT SKIN, , ready-to-use, alcoholic, lipid-regulating and perfume-free disinfectant for hygienic and surgical hand disinfection, content 250 ml (spraying bottle), tested according to the latest requirements, can be used in all areas with increased risk, comprehensive spectrum of action against enveloped and non-enveloped viruses within a very short time, against bacteria incl. tuberculosis, fungi and all enveloped viruses such as HIV, HBV, HCV, influenza A, B, C viruses, herpes simplex viruses, etc., without addition of odourants or dyes, VAH-listed, IHO-listed, approved as a biocide, not a medical product, distribution in accordance with the Biocidal Products Ordinance only in Germany*

*Use biocidal products with care. Always read the label and product information before use.

55500 // PROTECTASEPT SKIN

Type:	Hand disinfection, ready-to-use
Content:	500 ml
Packaging unit:	18 pieces

NITRAS PROTECTASEPT SKIN, ready-to-use, alcoholic, lipid-regulating and perfume-free disinfectant for hygienic and surgical hand disinfection, content 500 ml (euro bottle), tested according to the latest requirements, can be used in all areas with increased risk, comprehensive spectrum of action against enveloped and non-enveloped viruses within a very short time, against bacteria incl. tuberculosis, fungi and all enveloped viruses such as HIV, HBV, HCV, influenza A, B, C viruses, herpes simplex viruses, etc., without addition of odourants or dyes, VAH-listed, IHO-listed, approved as a biocide, not a medical product, distribution in accordance with the Biocidal Products Ordinance only in Germany*

55001 // PROTECTASEPT SKIN

Type:	Hand disinfection, ready-to-use
Content:	1,000 ml
Packaging unit:	10 pieces

NITRAS PROTECTASEPT SKIN, ready-to-use, alcoholic, lipid-regulating and perfume-free disinfectant for hygienic and surgical hand disinfection, content 1,000 ml (euro bottle), tested according to the latest requirements, can be used in all areas with increased risk, comprehensive spectrum of action against enveloped and non-enveloped viruses within a very short time, against bacteria incl. tuberculosis, fungi and all enveloped viruses such as HIV, HBV, HCV, influenza A, B, C viruses, herpes simplex viruses, etc., without addition of odourants or dyes, VAH-listed, IHO-listed, approved as a biocide, not a medical product, distribution in accordance with the Biocidal Products Ordinance only in Germany*

55005 // PROTECTASEPT SKIN

Type:	Hand disinfection, ready-to-use
Content:	5,000 ml
Packaging unit:	1 piece

NITRAS PROTECTASEPT SKIN, ready-to-use, alcoholic, lipid-regulating and perfume-free disinfectant for hygienic and surgical hand disinfection, content 5,000 ml (canister), tested according to the latest requirements, can be used in all areas with increased risk, comprehensive spectrum of action against enveloped and non-enveloped viruses within a very short time, against bacteria incl. tuberculosis, fungi and all enveloped viruses such as HIV, HBV, HCV, influenza A, B, C viruses, herpes simplex viruses, etc., without addition of odourants or dyes, VAH-listed, IHO-listed, approved as a biocide, not a medical product, distribution in accordance with the Biocidal Products Ordinance only in Germany*

*Use biocidal products with care. Always read the label and product information before use.

SPRAY / WIPE DISINFECTION

52001 // PROTECTASEPT SF

Type:	Spray / wipe disinfection, neutral
Content:	1,000 ml
Packaging unit:	20 pieces

NITRAS PROTECTASEPT SF, spray / wipe disinfection, ready-to-use and fast acting disinfection, for medical use to desinfect alcohol-resistant surfaces, scent: neutral, free from aldehyde and phenol, VAH-listed, IHO-listed, comprehensive spectrum of action within a very short time, tested according to the latest requirements, content 1,000 ml (spraying bottle including spraying head), licensed as medical product class IIa, distribution in accordance with the Biocidal Products Ordinance only in Germany and Austria*

*Use biocidal products with care. Always read the label and product information before use.

52005 // PROTECTASEPT SF

Type:	Spray / wipe disinfection, neutral
Content:	5,000 ml
Packaging unit:	1 piece

NITRAS PROTECTASEPT SF, spray / wipe disinfection, ready-to-use and fast acting disinfection, for medical use to disinfect alcohol-resistant surfaces, scent: neutral, free from aldehyde and phenol, VAH-listed, IHO-listed, comprehensive spectrum of action within a very short time, tested according to the latest requirements, content 5,000 ml (canister), licensed as medical product class IIa, distribution in accordance with the Biocidal Products Ordinance only in Germany and Austria*

52771 // PROTECTASEPT SF

Type:	Spray / wipe disinfection, flower
Content:	1,000 ml
Packaging unit:	20 pieces

NITRAS PROTECTASEPT SF, spray / wipe disinfection, ready-to-use and fast acting disinfection, for medical use to disinfect alcohol-resistant surfaces, scent: flower, free from aldehyde and phenol, VAH-listed, IHO-listed, comprehensive spectrum of action within a very short time, tested according to the latest requirements, content 1,000 ml (spraying bottle including spraying head), licensed as medical product class IIa, distribution in accordance with the Biocidal Products Ordinance only in Germany and Austria*

52775 // PROTECTASEPT SF

Type:	Spray / wipe disinfection, flower
Content:	5,000 ml
Packaging unit:	1 piece

NITRAS PROTECTASEPT SF, spray / wipe disinfection, ready-to-use and fast acting disinfection, for medical use to disinfect alcohol-resistant surfaces, scent: flower, free from aldehyde and phenol, VAH-listed, IHO-listed, comprehensive spectrum of action within a very short time, tested according to the latest requirements, content 5,000 ml (canister), licensed as medical product class IIa, distribution in accordance with the Biocidal Products Ordinance only in Germany and Austria*

*Use biocidal products with care. Always read the label and product information before use.

DISINFECTANT WIPES

580060 // PROTECTASEPT DUO WIPES

- Type:** Disinfectant wipes, ready-to-use
- Content:** 60 pieces
- Packaging unit:** 20 pieces

NITRAS PROTECTASEPT DUO WIPES, disinfection wipes, ready-to-use wipes for hand and surface disinfection, scent: neutral, made of cellulose fibre, size of fabric approx. 18 x 20 cm, fabric biodegradable, efficiency tested according to EN 16615, reclosable flowpack with 60 pieces, 20 flowpacks per outer carton, distribution in accordance with the Biocidal Products Ordinance only in Germany*

*Use biocidal products with care. Always read the label and product information before use.

58090 // PROTECTASEPT BIG SOFT

Type:	Disinfectant wipes, ready-to-use
Content:	90 pieces
Packaging unit:	2 pieces

NITRAS PROTECTASEPT SOFT, , disinfection wipes, ready-to-use disinfection wipes to disinfect alcohol-resistant surfaces, soft fabric, soaked with wipe disinfection, scent: flower, IHO-listed, size of fabric approx. 30 x 28 cm, folded to roll height approx. 16 cm, bag containing 90 wipes of polyester / cellulose mixed material, bag not recloseable, efficiency tested according to EN 16615, two rolls with 90 wipes each outer carton, distribution in accordance with the Biocidal Products Ordinance only in Germany*

58100 // PROTECTASEPT

Type:	Disinfectant wipes, ready-to-use
Content:	100 pieces
Packaging unit:	12 pieces

NITRAS PROTECTASEPT, disinfection wipes, ready-to-use disinfection wipes to disinfect alcohol-resistant surfaces, soft fabric, soaked with wipe disinfection, scent: lemon, IHO-listed, size of fabric approx. 12 x 20 cm, dispenser box with 100 wipes made of polypropylene / viscose, dispenser box reclosable, efficiency tested according to EN 16615, twelve boxes with 100 wipes each outer carton, distribution in accordance with the Biocidal Products Ordinance only in Germany*

58112 // PROTECTASEPT

Type:	Disinfectant wipes, ready-to-use
Content:	100 pieces
Packaging unit:	12 pieces

NITRAS PROTECTASEPT, disinfection wipes, ready-to-use disinfection wipes to disinfect alcohol-resistant surfaces, soft fabric, soaked with wipe disinfection, scent: lemon, IHO-listed, size of fabric approx. 12 x 20 cm, refill bag with 100 wipes made of polypropylene / viscose, refill bag not reclosable, efficiency tested according to EN 16615, twelve bags with 100 wipes each outer carton, distribution in accordance with the Biocidal Products Ordinance only in Germany*

*Use biocidal products with care. Always read the label and product information before use.

SOAPS / WASHING CREAMS

5950 // SILK TOUCH

Type:	Cream soap, white
Content:	1,000 ml
Packaging unit:	12 pieces

NITRAS SILK TOUCH, cream soap, white, opaque, odorless, well cleaning and nurturing cream soap, without perfume and dyestuffs, slightly preserved, pH skin neutral, dermatologically tested, content 1,000 ml euro bottle

50010 // SILK TOUCH

Type:	Creme soap, white
Content:	10,000 ml
Packaging unit:	1 piece

NITRAS SILK TOUCH, cream soap, white, opaque, odorless, well cleaning and nurturing cream soap, without perfume and dyestuffs, slightly preserved, pH skin neutral, dermatologically tested, content 10,000 ml canister

YOUR EXPERTS FOR MEDICAL AND HYGIENE ARTICLES - SINCE 2015

This approach has enabled us to develop into a renowned manufacturer brand. From the outset, we have built and consolidated our global partnerships on the cornerstones of reliability, flexibility and trust. Our daily activities are characterised by a wide range of products, short delivery times, high quality assurance and a market-driven price-performance ratio. As experts in disposable and reusable products, we also ensure that our NITRAS articles and all the private labels we manufacture are always state-of-the-art and fully marketable. We have internalised these values in our NITRAS family and continue this important tradition to this day. Our personal, customer- and solution-oriented approach combines the above aspects to create a unique combination that serves as the basis for steady growth. Side by side with our partners.

Our goal is to protect people's health and the environment and to make life easier. We work towards this every day with great reliability, flexibility and expertise. We strive to offer a full range of disposable and reusable products for professional medical and non-medical applications, which are always available to everyone and can be delivered to the desired location within a very short time. Trends, designs, innovations and the latest technology are incorporated into product development, as is a market-driven price-performance ratio. Because when you purchase a NITRAS product, we want to make a promise to you. A promise regarding properties and quality that brings our brand value to life and thus develops comprehensive and distinctive brand awareness. In addition, we are determined to offer continuously optimised, customer-specific and individual solutions that meet our high standards.

In our NITRAS family, we are committed to continuous, cooperative and healthy growth. In this context, economic, ecological and social aspects must be taken into account and implemented along the entire value chain. Based on our personalised advice and high level of commitment, we aim to develop a successful and future-oriented business policy that serves the well-being of all people and the environment.

YOUR ADVANTAGES

- + Many years of experience
- + Outstanding expert knowledge
- + Sustainable quality assurance
